Description :

Prsentation de l'diteurIn this ebook, Mike ARYAN writes 5 science fiction short novels. This is the first ebook of a new serial. These novels are :- G528 thoughts- Robotic- Out of time- Drones, the team and Carissa- Robots vs. DjangoHere is the beginning of one story :It was the third phase of the eleventh moon, and G528 was feeling rather Anxious. Or at least, that was how Mother had said she ought to feel, and G528 supposed it was for the best. There had not been a war, famine or plague for 14,285 years since the artificial intelligence known as Mother had peacefully assumed control of the Earth, which was a rather impressive track record, even for an AI. G528 set out from her home ..."Prsentation de l'diteurIn this ebook, Mike ARYAN writes 5 science fiction short novels. This is the first ebook of a new serial.
