Description :

Prsentation de l'diteurThis volume in Oxford's A Very Short Introduction series offers a concise, readable narrative of the vast span of American history, from the earliest human migrations to the early twenty-first century when the United States loomed as a global power and comprised a complex multi-cultural society of more than 300 million people. The narrative is organized around major interpretive themes, with facts and dates introduced as needed to illustrate these themes. The emphasis throughout is on clarity and accessibility to the interested non-specialist.Prsentation de l'diteurThis volume in Oxford's A Very Short Introduction series offers a concise, readable narrative of the vast span of American history, from the earliest human migrations to the early twenty-first century when the United States loomed as a global power and comprised

a complex multi-cultural society of more than 300 million people. The narrative is organized around major interpretive themes, with facts and dates introduced as needed to illustrate these themes. The emphasis throughout is on clarity and accessibility to the interested non-specialist. Biographie de l'auteur Paul S. Boyer was Merle Curti Professor of History Emeritus and former director, Institute for Research in the Humanities, University of Wisconsin-Madison; editor in chief, Oxford Companion to United States History (2001); co-author, Salem Possessed: The Social Origins of Witchcraft (with Stephen Nissenbaum, 1974); author, By the Bomb's Early Light: American Thought and Culture at the Dawn of the Atomic Age (1985), et al.
