As a hot, bad ass vampire in leather, Veronica never needed anything from anyone, but she's the mate to Vince, a beast of a werewolf covered in sex appeal and lust. She's everything he needs. She's willing to mate the mutt, after all, she feels the same pull as he does, but when the claiming gets rough, Veronica's reminded of a past that turned her into the cold, hard killer she is today. Can he earn her trust and truly claim his wounded mate? Or will Veronica put the pup in the past, right where those feelings of her's belong? Shadow Falls has a problem with the corruption running rampant through the Authority. As Alpha to the most powerful pack on this side of the nation, he's determined to protect his pack and make sure those at fault receive swift and severe consequences for their actions.
