### Description :

Prsentation de l'diteurShaun Mason is a man without a mission. Not even running the news organisation he built with his sister has the same urgency as it used to. Playing with dead things just doesn't seem as fun when you've lost as much as he has. But when a researcher from the Centre for Disease Control fakes her own death and appears on his doorstep with a ravenous pack of zombies in tow, Shaun's relieved to find a new purpose in life. Because this researcher comes bearing news: the monster who attacked them may be destroyed, but the conspiracy is far from dead.Now, Shaun hits the road to find what truth can be found at the end of a shotgun.Revue de presse'DEADLINE raises the bar for the genre' TELEGRAPH '[An] adrenaline-packed, quick-witted tale of medicine and mayhem ... Deft cultural touches, intriguing science

and amped-up action will delight Grant's numerous fans' --Publishers Weekly'This was an absolutely excellent continuation of this series. Things that happen in this book will absolutely take your breath away; it is absolutely engaging and really makes you think... Personally, I think this is the best zombie-themed writing since World War Z' --Fringe'This book is fast-paced and so well written it makes you check your doors and windows are locked and peer into the dark corners looking for zombies . . . I really would recommend this book to anyone and everyone who likes the supernatural/fantasy genre; it's just a fantastic read that I found hard to put down with a really twisted ending leaving the reader wanting more.' --Dark Matter'This was an absolutely excellent continuation of this series.
