But redemption means little to a demigod who only wants vengeance on the one who caused his downfall.Until one day in a cemetery...Simone Dubois is a medical examiner with a real knack for the job. Those who are wrongfully killed appear to her and help her find the evidence the police need to convict their killers. But when a man

appears and tells her that she's more than just a psychic, she's convinced he's insane. Now the fate of the world hangs in her hands...It was bad enough when just the dead relied on her. Now's there's the seductive Dream-Hunter Xypher who needs Simone's help in opening a portal to the Atlantean hell realm to fight insatiable demons. The future of mankind is at stake and so is her life.
