Other Books In This Series...Book #1 The Perfect Gift is available here: <http://www. .com/dp/B00LBAMPJM>/Book #3 Fun Fridays is available here: <http://www. .com/dp/B00NJBSPP4>/Heres what people are saying about this book and others in the series: Well written and very descriptive erotica. The storyline was extremely captivating and hot! Many, many hot scenes. This is erotica at its truest level. You'll need a cigarette after this one. Isabel instigates a threesome with Josh's favorite porn star. Well written erotica, believable characters, great story line with smoking hot sex scenes. Everything you expect from erotica, but seldom get. The author is very detailed and descriptive, which is great for a fun romp with an erotica book. The leading characters are engaging and this is a great start to an erotica series. Without creating a spoiler alert, reader be aware that the couple gifts each other some steamy surprises. The book touches on aspects of tantric massage, energy fusion, ritual and role play, stimulating the mind and imagination, seduction, arousal, intimacy and connection, in addition to paying special attention to individual body parts. Well written and very descriptive erotica. Thank you :) The French maid outfit does it for me. I found this ebook to be extremely well written; so much so that I could easily picture the scenes as they unfolded before me on the page. And let's face it, that's pretty much exactly what you want from an erotica novel! Highly recommend. This is a perfect book for couples to read together and get some ideas on how to keep the vibe going. Overall the writing style of the author is very descriptive and very erotic. This is a very lustful book! A very hot read!
