Prsentation de l'diteurHope is the first book of The Hope Saga.Hope II Dimensions, Hope III The Tappers and Hope IV Point Of Entry are also available..Peace has prevailed across the Milky Way for millions of years. Earth is at the dawn of the atomic age and new global powers are emerging, their conflicting ideologies vying for dominance of the planet. Not only Earths peace but perhaps the stability of the entire galaxy is threatened.Jack Norton is an idealistic boy growing up in the south coast English town of Torquay

just after the Second World War. His wartime experiences and general disappointment with humanity convince him he has to work for peace. From a very young age, he has somehow known he is destined to make a difference. Jack's life is turned upside down when his chance to make a difference arrives, literally out of the blue. Hope is the story of young Jack Norton's adventure as he is swept up in the struggle between mighty galactic forces. The allies of peace have been caught out by the swift resurgence of one of the most aggressive empires to ever exist. Can Jack make a difference and help his new friends save the galaxy?
