Description : Description du produitAn old man, taking what may become the last walking tour of his life. . . A young man who's a poet and a war hero, touring the countryside on foot after convalescing from the wounds he took on the front during the first world war. . . . A romantic, isolated, and forboding castle on the Scottish seacoast. . . . A Russian princess and the men who've kidnapped her. . . . It's a recipe for a recipe for romance and adventure, John Buchan style. Buchan was one of the best writers of this sort of thriller during the first half of the 20th Century; if you haven't read him, you're in for a real treat.

Prsentation de l'diteurRetired grocer Dickson McCunn embarks on the journey of a lifetime in John Buchans classic adventure tale Dickson McCunn has led a respectable, if unremarkable, life. Hes a grocer in Edinburgh and an esteemed member of the community. Still, he has a romantic spirit. For his entire life, all of his adventures have taken place in the pages of books, but hes always wanted to play more of a part in the

real world than just providing his neighborhood with vegetables. When his wife goes on vacation and he retires from his business, he finally gets his chance to take the trip across Scotland that hes always dreamed of. But after a chance meeting with a Communist poet in the coastal town of Dalquharter, McCunn finds himself on an adventure that is far more perilous than any hes ever read about. McCunn is forced into action when his new acquaintance informs him that a Russian princess is being held captive in Huntingtower, a nearby castle. As the Russians close in, McCunn must become the hero hes always wished he could be. This ebook has been professionally proofread to ensure accuracy and readability on all devices.
