Description :

Prsentation de l'diteurCombining the latest archaeological discoveries with modern-day reconstructions, this book (written by a leading expert, the author of 'Chronicle of the Roman Republic', 'The Enemies of Rome', 'The Sons of Caesar' and 'Ancient Rome on Five Denarii a Day') provides a vivid picture of what it meant to be a Roman Legionary. How to be accepted into the legions and which legion is for you; What to wear - and what not to wear - while on campaign; Who's Who in the Roman army, and how to tell a Berber from a Pict:

How to wield a gladius and fire a catapult; How to storm a city and survive; How to act when Rome is honouring your legion with a triumph. "A very interesting, original and well structured work for anyone who enjoys Roman military themes ... a fun and easy read" - Ancient Warfare
