Gritting her teeth Jenny grimaced and gave him what he wanted; the lewd sight of her backside jiggling this way and that as he continued to spank it. His hand now felt like sandpaper on the sensitised flesh. How much longer would she have to endure this? The clamps continued to bite into her

tender nipples, and as she swayed to and fro she could feel them moving with her, the ache increasing with each passing second...If Jenny thought life was hard under the expert tutelage of Mark, being faced with a stable full of sex-starved pony girls poses several more challenges. For instance, how do you bring eleven young women to orgasm in a timely fashion? But to her surprise, tackling the problem with experimentation and enthusiasm, she finds herself enjoying the experience. When training begins it is anything but enjoyable, however. Harnessed in pony girl tack, her body is encircled with leather, rubber and steel. It nips, chafes and rubs cruelly, especially when she's faced with a morning of naughty games in the exercise yard. In Book Four

of Pony Tales Jenny earns herself several punishments, and is subjected to some very thorough sex indoctrination she has to submit to the whims of her groom, trainers and even the stable-hands. Will rescue arrive or will she have to beg to be released, with nothing more than her body as currency? Biographie de l'auteur Christina Mandara was born in the UK, but has spent most of her life travelling the world. She speaks three languages and has been chiefly employed in the fields of finance and travel. Her favourite city is

Sydney and her favourite holiday destination is the south of France. She loves keeping fit and enjoys running, cycling and water sports. No, not those kinds of water sports; think surfing or sailing. That doesn't mean that she doesn't enjoy BDSM in all of its glorious forms, be that pony girls, bondage, edge play, orgasm denial or a damn good spanking. Her favourite item in the toy closet (a box simply isn't big enough) is her riding crop. In her spare time she's usually cuddled up with a good book, exploring the countryside or baking in the kitchen. In fact, she loves her kitchen so much she's one of few women who wouldn't mind being tied to it! Her first and foremost love is writing, however, and more often than not you'll find her on a laptop spinning tales of romance, erotica or dark, paranormal fantasies. Those in the BDSM world might wonder whether Ms Mandara is a top or a bottom. Is she currently training a herd of pony boys or is she stabled up, in full leather tack, with the pony girls? It's a good question. Answers on a postcard please or try and figure it out yourself by visiting Ms Mandara's blog: www.christinamandara.wordpress.com
