Description :

Prsentation de l'diteurThe legendary 1951 scroll draft of On the Road, published word for word as Kerouac originally composed it.On the Road chronicles Jack Kerouac's years traveling the North American continent with his friend Neal Cassady, "a sideburned hero of the snowy West." As "Sal Paradise" and "Dean Moriarty," the two roam the country in a quest for self-knowledge and experience. Kerouac's love of America, his compassion for humanity, and his sense of language as jazz combine to make On the Road an inspirational work of lasting importance..frOn The Road, the most famous of Jack Kerouac's works, is not only the soul of the Beat movement and literature, but one of the most important novels of the century. Like nearly all of Kerouac's writing, On The Road is thinly fictionalised autobiography, filled with a cast made of

Kerouac's real life friends, lovers and fellow travellers. Narrated by Sal Paradise, one of Kerouac's alter-egos, this cross-country bohemian odyssey not only influenced writing in the years since its 1957 publication but penetrated into the deepest levels of American thought and culture. --Acton Lane.co.uk
