Description :

Prsentation de l'diteurCelia Wird and her three sisters are just like other 20-something girlswith one tiny exception: they're products of a backfired curse that has given each of them unique powers that make them, well, weird The Wird sisters are content to avoid the local vampires, werebeasts, and witches of the Lake Tahoe regionuntil one of them blows up a vampire in self-defense. Everyone knows vampires aren't aggressive, and killing one is punishable by death. But soon more bloodlust-fueled attacks occur, and the community wonders: are the vampires of Tahoe cursed with a plague? Celia reluctantly agrees to help Misha, the handsome leader of an infected vampire family. But Aric, the head of the werewolf pack

determined to destroy Misha's family to keep the region safe, warns Celia to stay out of the fight. Caught between two hot alphas, Celia must find a way to please everyone, save everyone, and oh yeah, not lose her heart to the wrong guy or die a miserable death. Because now that the evil behind the plague knows who Celia is, its coming for her and her sisters. This Wird girl has never had it so tough. *Revue de presse* This is a funny book. Seriously, I was laughing and enjoyed reading every page. . . . The best part, though, to me was the interaction between the sisters. Each has her own personality and story, which makes the sisters witty and amazing individually and together. I'm looking forward to reading more of the *Weird Girls* and have put the series on my auto-buy list. If you're looking for fun, adventure, a messy love triangle and an awesome family, check out *Sealed with a Curse*. *USA Today* Celia and her sisters are an eclectic bunch, determined to keep each other safe at all costs. As for Celia, she may be the leader of her family, but when it comes to romance, she has a refreshing innocence that is sure to delight readers. Robson clearly shows that family, the ones you're born with and the ones you create, are instrumental for survival especially in this adventurous and enchanting ride! *Romantic Times*, 4 stars Robson combines four sisters with supernatural powers, a murderous yet sympathetic vampire, and a frightening virus in an engaging paranormal romance with bite. . . . Robson skillfully builds a believable world near Lake Tahoe for this solid page-turning debut. *Publishers Weekly* There's a LOT that happens but I never had a problem picking the book back up and WHOOSH being absorbed into the story. And there is some seriously silly, irreverent funny, y'all. . . . I enjoyed the hell out of reading [*Sealed with a Curse*]. My inner 12 year old guffawed constantly. I was really happy to read it and had a grand time every time I picked it up. *Smart Bitches Trashy Books* Wowsa! I liked this book so much we have picked *Sealed with a Curse* by Cecy Robson as a MUST READ of this winter! . . . Cecy Robson has written about a unique world full of werewolves, wereracoons, a werebobcat, vampires and of course the 4 kick-ass sisters that you will love as your own family! *Paranormal Cravings* *Sealed with a Curse* has just about everything I want in a really good urban fantasy. Strong lead characters? Check. A sexy romance brewing on the side? Check. Vamps, weres, witches, and more? Check!! . . . This is an exciting and refreshing debut and I can't wait to see what's next for this series! *My Bookish Ways* *Sealed with a Curse* was impressive. The pace was fantastic, the story exciting and the chemistry between all of the characters was just great. I loved everyone in this book even the creepy people. Everyone was compelling and added a lot to the story and to the world Cecy created. I strongly recommend this book. *Yummy Men Kick Ass Chicks*, 5 stars It is rare that an Urban Fantasy book can grab me from the first few pages. . . . But this book, this one definitely got me hooked after the first few pages. There was action, humor, danger, sisterly bonding, witty one liners, something fun and completely unique and a whole new world just waiting to be discovered, and I knew I wanted to discover it. *My Guilty Obsession*, 5 stars *Présentation de l'auteur* Celia Wird and her three sisters are just like other 20-something girls with one tiny exception: they're products of a backfired curse that has given each of them unique powers that make them, well, weird The Wird sisters are content to avoid the local vampires, werebeasts, and witches of the Lake Tahoe region until one of them blows up a vampire in self-defense.
