Description :

Prsentation de l'diteurThe Grigori are an ancient race; powerful people who possess abilities and powers humans do not. They gave rise to the legends of the fallen angels, and their descendents live on among us, hidden within human society, moving wheels within wheels, making changes unseen across the world.The twins Owen and Lily Winter always have always known they are different to everyone else who lives in the quiet village of Little Moor. Their mother is dead and they never discovered who their father was. When the mysterious stranger, Peverel Othman, arrives in Little Moor, their lives are destined to be changed for ever,

and ancient secrets are unearthed in the High Place in the forest and the haunted towers of the shuttered and deserted mansion, Long Eden. Among the upper echelons of Grigori society, the search begins for an Anakim a rogue Grigori whose existence threatens the security of his race and the lives of those who cross his path. Aninka Prussoe, whose own life has been shattered by contact with the Anakim, is among those who are led towards Little Moor and the final climax to a story that never ended and which has haunted both humanity and Grigori alike for millennia. *Stalking Tender Prey* is the first volume in Storm Constantines acclaimed Grigori trilogy, examining the myths of the fallen angels and the Nephilim.
