Description : Description du produit
Once there was an enchanted island in the middle of the sea. It was called the Isle of Yew. And in it were five important kingdoms ruled by men, and many woodland dells and forest glades and pleasant meadows and grim mountains inhabited by fairies. From the fairies some of the men had learned wonderful secrets, and had become magicians and sorcerers, with powers so great that the entire island was reputed to be one of enchantments. Who these men were the common people did not always know; for while some were kings and rulers, others lived quietly hidden away in forests or mountains, and seldom or never showed themselves. Indeed, there were not so many of these magicians as people thought, only it was so hard to tell them from common folk that every stranger was regarded with a certain amount of curiosity and fear. A delightful book sure to please anyone looking for another magical world. It's decided not Oz, but it's a fun and rewarding book, full of magic and joy, and it's certain to please Baum's many fans.

Prsentation de l'diteur
Sesely, daughter of Baron Merd of Heg, and two companions are enjoying a picnic in the Forest of Lurla when they are accosted by a fairy. The fairy, bored with centuries of insipid fairy life, amazes the girls by pleading to be changed into a mortal. Though the girls are surprised that they might have

the power to do such a thing, the fairy explains how it can be done. The girls agree to transform the fairy into a human boy for the space of one year. The newly-minted male is dubbed Prince Marvel, and, furnished with fairy arms and armor and an enchanted horse (a deer transformed), sets out to have adventures. Biographie de l'auteur Lyman Frank Baum (May 15, 1856 May 6, 1919), was an American author who was a specialist in children's books. He was particularly famous for his The Wonderful Wizard of Oz series, a sensational hit among children and continues to do so. He was better known by his pen name L. Frank Baum. His stories have formed the basis for such popular films as The Wizard of Oz (1939), produced by the famous Metro-Goldwyn-Mayer Studios Inc. and Oz the Great and Powerful (2013). Named "Lyman" after his uncle, Baum didnt like his first name much obviously and chose to be called by his middle name "Frank" instead. Baum wrote about his purpose in introduction of his book: "The Wonderful Wizard of Oz was written solely to pleasure children today. It aspires to being a modernized fairy tale, in which the wonderment and joy are retained and the heart-aches and nightmares are left out."
