Description :

Prsentation de l'diteurThe essential stock market guide, now updated with even more timely and necessary informationNow in its fifth edition, The Neatest Little Guide to Stock Market Investinghas established itself as a clear, concise, and highly effective approach to stocks and investment strategy. Rooted in the principles that made it invaluable from the start, this completely revised and updated edition of The Neatest Little Guide to Stock Market Investing shares a wealth of information, including: What has changed and what remains timeless as the economy recovers from the subprime crash All-new insights from deep historical research showing which measurements best identify winning stocks A rock-solid value averaging plan that

grows 3 percent per quarter, regardless of the economic climate An exclusive conversation with legendary Legg Mason portfolio manager Bill Miller, revealing what he learned from the crash and recovery Thoroughly updated resources emphasizing online tools, the latest stock screeners, and analytical sites that best navigated recent trends Accessible and intelligent, The Neatest Little Guide to Stock Market Investing is what every investor needs to keep pace in the current market. Revue de presse "Jason Kelly captured my investment methods well, and better than most who have tried to describe what I do." Bill Miller, Former Chairman Chief Investment Officer, Legg Mason Capital Many investors want to know how and where to get started in investing and also improve their results. Jason Kelly does a terrific job of providing a plethora of resources, approaches, and ideas that will help any investor no matter their level of experience or aptitude. Charles E. Kirk, The Kirk Report Presentation de l'auteur The essential stock market guide, now updated with even more timely and necessary information Now in its fifth edition, The Neatest Little Guide to Stock Market Investing has established itself as a clear, concise, and highly effective approach to stocks and investment strategy. Rooted in the principles that made it invaluable from the start, this completely revised and updated edition of The Neatest Little Guide to Stock Market Investing shares a wealth of information, including: What has changed and what remains timeless as the economy recovers from the subprime crash All-new insights from deep historical research showing which measurements best identify winning stocks A rock-solid value averaging plan that grows 3 percent per quarter, regardless of the economic climate An exclusive conversation with legendary Legg Mason portfolio manager Bill Miller, revealing what he learned from the crash and recovery Thoroughly updated resources emphasizing online tools, the latest stock screeners, and analytical sites that best navigated recent trends Accessible and intelligent, The Neatest Little Guide to Stock Market Investing is what every investor needs to keep pace in the current market.
