Prsentation de l'diteurThe jaw-dropping, page-turning, critically-acclaimed book of the year: a serial-killer thriller unlike any other from the award-winning Lauren Beukes. GONE GIRL has not exactly gone. But THE SHINING GIRLS have arrived (The Times).Its not my fault. Its yours. You shouldnt shine. You shouldnt make me do this.THE GIRL WHO WOULDNT DIEKirby is lucky she survived the attack. She is sure there were other victims were less fortunate, but the evidence she finds is impossible.HUNTING A KILLER WHO SHOULDNT EXISTHarper stalks his shining girls through the years and cuts the spark out of them. But what if the one that got away cameback for him?Revue de presse" Intriguing...Beukes deals with slightly surreal things in very real ways. I'm all over it." -- Gillian Flynn, O magazine"A grisly crime thriller meets sci-fi action meets historical fiction in a wildly inventive summer page-turner." --

Entertainment Weekly "One of the scariest and best-written thrillers of the year, not to mention the most memorable portrait of a serial killer since Henry H. Holmes in....Erik Larson's 2003 nonfiction bestseller *The Devil in the White City*." --Chicago Sun-Times "A triumph ... [T]he smart and spunky Kirby Mizrachi is as exciting to follow as any in recent genre fiction ... [E]ach chapter in which [Harper] appears holds a reader's attention, especially the sharply described murder scenes - some of which read as much like starkly rendered battlefield deaths out of Homer as forensic reconstructions of terrible crimes ... This book means business." --NPR.org "[Beukes is] so profusely talented - capable of wit, darkness, and emotion on a single page - that a blockbuster seems inevitable....*The Shining Girls* marks her arrival as a major writer of popular fiction." --USA Today Presentation de l'diteur The jaw-dropping, page-turning, critically-acclaimed book of the year: a serial-killer thriller unlike any other from the award-winning Lauren Beukes. *GONE GIRL* has not exactly gone.
