Description :

Prsentation de l'diteurFrom the author of the Nebula Award-nominated The Native StarTHE YEAR IS 1910.

Eighteen-year-old Will Edwards has landed a prestigious apprenticeship at Detroit's Tesla Industries, the most advanced scientific research center in the United States. It's a plum prize for a young man who dreams of a career in the new science of Otherwhere Engineering. But his father doesn't want him to go. And he won't tell him why. Determined to get there by any means necessary, Will finds unexpected support along the way. His old friend Jenny Hansendaughter of a San Francisco timber baron is eager to help him for reasons of her own. And so is his estranged brother Ben, whom he hasn't seen in over ten years. But running away turns out to be the easy part. On the first full moon after his eighteenth birthday, Will is stricken by a powerful magical devastating curse laid upon his ancestors by the malevolent sangrimancer Aebedel Cowdray. Will must find

a way to control the magic that possesses him or the vengeful warlocks spirit will destroy everything and everyone he loves.
