Description : Description du produitA remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel.Michael Koryta's Tonight I Said Goodbye marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, Tonight I Said Goodbye would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been

described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers.

Presentation de l'auteur
A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel. Michael Koryta's *Tonight I Said Goodbye* marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, *Tonight I Said Goodbye* would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers. *Tonight I Said Goodbye* is a 2005 Edgar Award Nominee for Best First Novel. From Publishers Weekly
A pair of PIs investigate the murder of one of their own in Koryta's sharp, fast-paced debut. Crusty old John Weston hires partners Lincoln Perry and Joe Pritchard to investigate both the death of his son, Wayne, in an incident the cops have ruled a suicide, and the disappearance of Wayne's wife and young daughter. Perry and Pritchard soon determine that Wayne was working for Jeremiah Hubbard, "Cleveland's answer to Donald Trump," in a series of surveillance jobs that brought him into contact with Russian mobsters. The case heats up considerably when the detectives locate Randy Hartwick, a Marine who served with Wayne in a special ops unit, only to have him shot right before their eyes. The cat-and-mouse game shifts to South Carolina, as Perry noses around a Myrtle Beach resort where Hartwick had worked security, only to stumble into Wayne's daughter and wife, who are staying at the same hotel. Julie Weston reveals that she has a videotape her husband made of the mobsters committing a murder, and soon they're both in danger when the Russians come looking for the tape. Although he occasionally tries to substitute jaded PI patter for genuine character development, 21-year-old Koryta delivers well-crafted scenes and genuinely surprising plot twists. This riveting detective novel should delight fans looking for new talent. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. *Revue de presse*
A terrific, first-class debut full of suspense, tension, tricks and charm. (Lee Child) Riveting (Publishers Weekly) Say hello to a new crime talent. An incredibly fresh private investigator novel. (Chicago Tribune) Koryta is one of the best of the best (Michael Connelly) Michael Koryta is one of the most exciting new voices in crime fiction. (Mail on Sunday) Koryta knows how to build tension and create a febrile atmosphere . . . a writer to watch. (Spectator) [Koryta] possesses an unusual gift - the ability to write a sure-fire bestseller. (News of the World) On my must-read list. (Dean Koontz) Michael Koryta is one of our new dynamos in the world of books . . . [he's] becoming a wonder we'll appreciate for a long time. (Daniel Woodrell)
