## Description :

Prsentation de l'diteurTutti Frutti is the FIFTH hilariously thrilling novel in the Dev Haskell mystery series."Lock the door, pour yourself a nice glass of something, and then hang on for a crazy ride with the likes of Dev Haskell and Candi." -Crime SyndicateA DISBARRED ATTORNEY, ILLEGAL GAMBLING, AND A SEXUALLY AGGRESSIVE 'COUGAR.' ACTION AND HILARITY ENSUE.Private Investigator Dev Haskell stumbles into the famed Tutti Frutti in search of an illegal gambling operation. Instead he finds

a bondage club run by the mobster D'Angelo brothers, more murder and action than he ever dreamed of, and Candi: devilishly compelling Candi. The kind of woman Dev just can't learn to leave alone. In classic form, he just might have been set up ... again. Tutti Frutti, it turns out, is a dangerous way to live..."...one of those wonderfully engaging tales where everything seems so obvious until you realize that you've been had too." -

Behind BarsPresentation de l'auteurTutti Frutti is the FIFTH hilariously thrilling novel in the Dev Haskell mystery series."Lock the door, pour yourself a nice glass of something, and then hang on for a crazy ride with the likes of Dev Haskell and Candi." -Crime SyndicateA DISBARRED ATTORNEY, ILLEGAL GAMBLING, AND A SEXUALLY AGGRESSIVE 'COUGAR.' ACTION AND HILARITY ENSUE.Private Investigator Dev Haskell stumbles into the famed Tutti Frutti in search of an illegal gambling operation. Instead he finds a bondage club run by the mobster D'Angelo brothers, more murder and action than he ever dreamed of, and Candi: devilishly compelling Candi. The kind of woman Dev just can't learn to leave alone. In classic form, he just might have been set up ... again. Tutti Frutti, it turns out, is a dangerous way to live..."...one of those wonderfully engaging tales where everything seems so obvious until you realize that you've been had too." -Behind BarsBiographie de l'auteurThe Dirty Lowdown called Mike Faricy America's hottest new mystery writer. Robert Carraher referred to him as Minnesota's Master of the Bizarre. Crime Scene referred to him as the next Carl Hiaasen. Crime Capers said; "Open at your own risk, you won't put him down." Under Cover wrote; "This guy is nuts and one hell of a lot of fun." The Irish Gazette referred to "The laugh a minute story lines of Faricy's deliciously engaging worlds." All his books are stand alone, they can be read in any order. Faricy's novels are filled with the sort of oddballs we're all curious about, but wisely prefer to keep at a distance. His characters serve not so much as an example as they do a warning to us all. None of them will be saving the world from terrorism, international banking conspiracies or coups to take over the government. Rather, Faricy's characters inhabit a world just below the surface of polite society. The circumstances they find themselves in are usually due to their own bad decisions, but then bad decisions make for interesting stories. Faricy's Dev Haskell series is penned with a delightful sense of humor and even some romance. Entertainment is the name of the game as back slapping, corner cutting, babe magnet Dev Haskell interacts with such quirky characters as ice cream mogul Mr. Swirlee, The D'Angelo brothers, local crime lord Tubby Gustafson, 'Fat Freddie' Zimmerman, former NFL tight end Luscious Dixon, exotic dancer Swindle Lawless, and gorgeous Heidi Bauer. The Dev Haskell novels can be read in any order. Originally from St. Paul, Minnesota, Faricy still spends part of his time in the saintly city as well as in Dublin, Ireland. Contact information for Mike Faricy is listed just after this shameless list of titles. Thanks for taking the time and be sure to tell 2-300 of your closest friends.
